Desktop type power supplies 48VDC / 52VDC
PSP series

- power supply outputs: 48VDC/0,5A – PoE/RJ45
                                      52VDC/0,3A – PoE/RJ45
- power supply: 90÷264VAC
- compliance with IEEE 802.3 af standard *
- LED optical signalization
- protections:
    - SCP short circuit protection *
    - OLP overload protection
    - overvoltage protection (AC input)
- notes:
    - designed for 10Mb/s and 100Mb/s network
- warranty: 2 years from production date

* depending on model

Sample product:
PSP52003

RJ45 connectors   Ethernet input   PoE output   LED optical indication
- input / output

	Code	Output current	Compliance with/ IEEE 802.3 af standard	Dimensions L×W×H [+/- 2mm]
48VDC	PSP48005	0,5A	—	119×61×38
52VDC	PSP52003	0,3A	✓	119×61×38

Sample product: PSP52003

230VAC

230VAC
